# FASHION INSTITUTE ARNHEM

---

## TODAY WE CELEBRATE NINE YEARS OF FASHION INSTITUTE ARNHEM WITH THE FINAL EXAM SHOW OF THE LATEST GENERATION OF UPCOMING GRADUATES, GENERATION 9.

---

---

The Fashion Institute Arnhem is 'the school of thought'. We are a mobile institute based in Arnhem, also represented on TH+ Floor in the World Fashion Centre in Amsterdam, travelling with our students to where the knowledge is.

The Fashion Institute Arnhem is currently a two year long master programme and one of two ArteZ Fashion Masters, of the ArteZ Institute of the Arts. The Fashion Institute Arnhem is founded by Angelique Westerhof and Pieter 't Hoen in 1998, as a one year post-graduate fashion design course. The course originated out of the necessity for a better connection between higher vocational fashion education and the international work field. The Fashion Institute Arnhem is funded by the Ministry of Education, Culture and Sciences.

---

The Fashion Institute Arnhem is proud to present to you the final collections of our very hardworking and courageous students Lifu Hsia, Sanne Schrijver, Julia Eichler and Claes Iversen. Throughout the last one and a half year they have been working on developing their own signature. In the meantime they were creating high fashion at a speed and pace close to what an independent designer faces in reality. The Fashion Institute Arnhem encourages students to work independently by facilitating workshops in the Netherlands and abroad. Throughout the curriculum the students have been guided by professionals from the international fashion work field. I would like to thank our teacher's team, our guest teachers, and our current team for making the Fashion Institute Arnhem what it is today.

Generation 9 consists of a group of strong individuals. They present their collections within the theme CLASH! A strong theme perfectly describing what they experienced within the course. An exciting clash with each other and within. I sincerely hope you will enjoy and praise the personal growth that they have accomplished in the past one and a half year.

Also, we are delighted to announce the winner of the Sacha Golden Heel Award 2008. For this project, Sacha and the Fashion Institute Arnhem teamed up and created a shoe design curriculum and competition for our students. In this first edition, all the Fashion Institute Arnhem students participated and were offered workshops to create their own shoe. The winner of the Sacha Golden Heel Award will have his or her shoe produced by Sacha and sold in selected Sacha shops in the Netherlands from end of January 2008.

#### **Sacha Golden Heel Award 2008**

**The unique collaboration between Sacha and the Fashion Institute Arnhem has resulted in a 6 months during master class in which renown teachers and people from the industry helped the students to create their own shoe designs. The results are stunning as you can see during the presentation at the Fashion Institute Arnhem Generation 9 graduation show.**

**A professional jury has selected the winner of the Sacha Golden Heel Award 2008.**

## "VIRGINIA WOLF IN AMSTERDAM"

VIRGINIA WOLF AS AN OLD AND SENSITIVE WOMAN. BEING ANXIOUS AND HESITATING, STEPPING IN NEW SURROUNDINGS. SHE IS TRYING TO FIGURE OUT HOW TO FIT IN MODERN SOCIETY AS A NEW REBORN WOMAN.

SHE THINKS THERE IS A NEW DESTINATION FOR HER. HER FRIEND MRS. DALLOWAY IS GOING TO GIVE A PARTY AND OF COURSE VIRGINIA IS INVITED. EVERYBODY LOVES TO BE INVITED TO A PARTY AND SO IS SHE. IT IS A BEAUTIFUL MORNING, SHE JUST WOKE UP AND STILL WEARING HER PYJAMAS, WASHING HER FACE, SHE IS THINKING: "WHAT SHALL I WEAR FOR THE PARTY TONIGHT?"

LIFU HSIAO'S NEW COLLECTION PRESENTS 1920'S LADY LOOK INFUSED WITH INSPIRATION FROM THE STREETS OF AMSTERDAM - ARCHED WINDOW FRAMES WITH CURTAINS HANGING BEHIND THEM, THE ART NOUVEAU AND ART DECO INFLUENCES IN AMSTERDAM ARCHITECTURE. IT RESULTED IN CLEAN SHAPES. SMALL, ROUND SHOULDERS AND A LOW WAIST. THERE'S A LOT OF CONSTRUCTION AROUND THE BODY, CORRESPONDING WITH THE ART NOUVEAU AND ART DECO ARCHITECTURE.

FABRIC CHOICE IS VERY CRUCIAL FOR THE FINAL RESULT. TRICKY FABRICS, SOMETIMES, LIKE DOUBLE-FACED YARN CHIFFON SHOW DIFFERENT COLOURS AND SHINE WHEN LOOKED AT FROM DIFFERENT ANGLES. THEY EXPRESS A DOUBLE FEELING: "I AM OLD BUT TRYING TO BE YOUNG AGAIN.... STILL, YOU CAN SMELL THE OLDNESS IN ME". CONTRASTING FABRICS, LIKE METAL SILVER FABRIC AND CHIFFON WITH A METALLIC LIQUATE TOUCH; MAKE THE CLOTHES YOUNG AND MODERN.

---

Lifu Hsiao was born in Taiwan. After finishing his BA fashion degree at the Fu Jen University he came to Europe. "My new life and new experience changed myself quit a lot last year. My view on a lot of things has changed. I think culture and society are my most important influences They amaze me." Lifu Hsiao likes to describe his designs as "humanity and emotion." "I would like to attract people who are not very concerned with fashion but if they wear my clothes still look fashionable."

## "MY MAN"

THIS IS ME GROWING UP WITH THREE BROTHERS. WE ARE NOT ALIKE: THE BROTHERS ARE BIG AND ROUND, I AM SMALL AND TINY. THEY ARE BOYS AND TOUGH. I AM A GIRL, TOUGH BUT SENSITIVE. I AM PROTECTED BY MY BROTHERS, LOVED BY MY BROTHERS, I CAN HIDE BEHIND THEM... BUT NOW IT'S TIME TO REVEAL ME.

MY SHAPES ARE BIG, ROUND AND VOLUMINOUS, LOOKING LIKE THE BROTHERS. SLIM, SMALL AND STRAIGHT, LOOKING LIKE ME. WRAPPED AROUND AND OF THE BODY VERSUS CLOSE TO THE BODY.

MY COLOURS ARE MASCULINE: DARK BLUE, CHOCOLATE, ANTHRACITE AND BRONZE. FEMININE: SOFT SKIN TONES, WHITE, BEIGE AND FADED PINK. AND BRIGHT: YELLOW LIKE OCHRE, FUCHSIA AND RED LIKE A FLAME.

MY MATERIALS ARE HEAVY, COOL, TOUGH AND MASCULINE: THICK FELT, COOL WOOL, WASHED SILK, VELVET AND A WOVEN CHECK. AND TRANSPARENT, LIGHTWEIGHT, SATIN SHINE, AND FLUID: CHIFFON, CREPE, PARACHUTE NYLON, TULLE, MOHAIR, THIN COTTON AND SATIN SILK. DIFFERENT FABRICS ARE COMBINED INTO ONE ITEM: PARACHUTE NYLON AND SATIN SILK, FELT AND TULLE, LIGHTWEIGHT COTTON AND NYLON. THERE ARE LAYERS: CHIFFON PUT OVER STIFF TULLE, PARACHUTE NYLON PUT OVER FUCHSIA SILK, DRESSES OVER DRESSES, COLOURS OVER COLOURS.

AS A RESULT: A COOL COLLECTION FOR MY WOMAN. ME.

Sanne Schrijver was born on 21st of September 1980 in Amersfoort. After finishing MBO fashion she worked for two years as an assistant at a stylist department. In 2002 she started her fashion BA at ArtEZ Institute of the Arts in Arnhem and graduated in 2006 with the "Maschio" collection. Schrijver designs women's collections. "For me it is important that clothes are wearable and nice on a woman's body. I am always fascinated by men's wear and how men dress, it's my inspiration." The garments find a good balance between the men's silhouette and the woman's body. Details are one of the things that make her garments so special. "This is important in my clothes - I try to give it an extra touch."

“DIE QUADRATUR DES KREISES”

MY COLLECTION IS INSPIRED BY MODERN AFRICAN ART. THE WAY PEOPLE IN AFRICA USE MATERIALS IS THE MAIN INSPIRATION FOR MY COLLECTION. THEY RECYCLE TRASH AND MAKE ART OUT OF IT. THE ATTITUDE TOWARDS THE MATERIAL - THEY TRULY VALUE IT - IS INSPIRING FOR ME. IN THE SAME SPIRIT, I WORKED WITH PAPER AND TAPE ON ROUGH SHAPES ON A FULL SIZE DOLL. I WORK WITH GRAPHICAL IMAGES IN COLOUR AND SHAPE - WITH SQUARES, STRIPES AND PLAIN SURFACES. I COMBINED THE GRAPHICAL ELEMENTS WITH DRAPES AND ADDED WIRES AND CIRCUIT BOARDS AND OTHER ELECTRONIC TRASH. I USE IT FOR PRINTS, PATTERNS AND ACCESSORIES. MY FABRICS ARE BASICALLY NATURAL FABRICS AS WOOLS, SILKS AND COTTONS, WHICH I COMBINED WITH OTHER MATERIALS SUCH AS PAPER, TAPE AND WIRES. THE COLOURS ARE BASED ON THE INSIDE OF A COMPUTER NEXT TO A HUMAN BODY.

Julia Eichler was born on 16th of September 1978 in Itzehoe, Germany. She finished her BA in fashion design at the University of Applied Sciences in Berlin.

# CLAES IVERSEN

A/W 2008-2009

'FASTEN YOUR SEAT-BELT, WE ARE UP FOR A BUMPY RIDE!'

CONTINUOUSLY BEING OCCUPIED BY BEAUTY AND AESTHETICS, CLAES IVERSEN FOUND HIMSELF SEEKING A CHALLENGE BY ONCE TURNING IT AROUND...

"I FOUND MY INSPIRATION IN RANDOMNESS, ACCIDENTS, MISS-FORMS, MISSHAPES AND GARBAGE. THEY FORM THE BASIS OF THE SHAPES IN THIS NEW COLLECTION." THE SILHOUETTES PRESENTED HAVE ALL BEEN DEVELOPED FROM WHAT WOULD NORMALLY BE CONSIDERED AS A DEFECT OR A COINCIDENCE. THE CAR CRASH, AS A LITERAL ACCIDENT, PLAYS A KEY ROLE IN THE COLLECTION. BUT ALSO ACCIDENTS WHICH OCCURRED IN THE RESEARCH-PHASE AND TECHNICAL ACCIDENTS MADE DURING THE PROCESS OF PRODUCTION HAVE BEEN INTEGRATED IN THE FINAL RESULT

THE COLLECTION HAS RESULTED IN A CLASH. NOT ONLY LITERALLY, BUT ALSO A CLASH WITHIN MY SELF. THE PAST YEAR HAS BEEN A CONTINUOUS CONFRONTATION WITH THE VALUE OF ESTHETICS AND LUXURY AND MADE ME SEEK BEAUTY IN THE 'UGLY'.

Claes Iversen was born in Denmark in 1977. After finishing his BA at the Royal Academy in The Hague he already caught the eye of the Dutch press with remarkable collections. His clothes could be described as twisted modern classics. Though a touch of drama is incorporated in his work, his clothes have a perfect fit. "I want to create clothes which people desire to wear and make them feel beautiful".
